****:** Be careful! This game name appears more than once on the state lotteries website! Look at the game number to make sure you're buying the right game for

ScratchSmarter Ranking: This ranking is the result of a complex calculation factoring in the top prizes remaining, overall odds of the game, odds of the top prizes and additional factors.

Smart Factor: Scratch Smarter's rating of each game. It combines the overall odds, total prizes, and remaining prizes to determine a single number that represents how well a game is doing relative to all other games based on the estimated number of tickets sold.

Overall Odds: On average, the number of tickets you have to play to win a prize -

the correct SmartFactor rating!

It is calculated as the total number of tickets printed divided by the total number of winning tickets available. The overall odds are provided by your state lottery.
